FROM YOUR ROLDI PRESIDENT

May showers bring flowers and hopefully we will be getting some showers soon. It has been a long, dry spell and I, personally, would like my lawn to green up!

Many of you have already gone back up north and I hope you had a safe trip with no difficulties. Some of our Canadian friends had to go through hoops to re-enter their Provinces.

It was with much regret that we were unable to have Easter dinner, but we just couldn't take a chance on it with some still needing to get vaccinated. (I was lucky enough to have my two shots in April.)

While shelving some books in the library a while back, I noticed a large moving-type box sitting on the floor by the doorway. It contained some books and magazines which I am sure the owner wanted us to have, but it also contained personal photos and a beautiful album. There was nothing in the box to indicate to whom it belonged. None of the photos were identified by name or date, but a note in one packet had the names of two children named Lars and Luca when they were children. If you know who this is, please have them contact me so I can return these items to them. Maybe they put everything in "the cloud," but maybe not, and they may want these keepsakes. Call me at 239-652-0411.

Judy Young, President ROLDI

FROM YOUR LDPOA PRESIDENT

Dear Residents:

As some of you may have noticed the pickle ball canopy has been moved behind the North Hall on the East end. I think it looks very nice at this location! I want to thank the volunteers that helped make this happen. They are: Denny Roy, Tim Fitzpatrick, Charley Napier, Tom Burns, John Burns, Bob Arnold, Dick Johnson, Larry

Bartman, Greg Bartman, Billy Ray Caines, Bob Kusiak, Jim Kohany, Frank Metzger, Gene Kelly and our maintenance man Randy Steiger. Again I want to thank all volunteers that helped to accomplish this project!

Wishing everyone a great and pleasant summer

Bill Van Driessche
LDPOA Board President

FROM YOUR PARK MANAGER

For those leaving for the season, we wish you a safe trip home and a wonderful summer. Please remember to check in with the office and complete a departure form, which includes information on how to close up your home for hurricane season. If you have removed a vehicle from the storage unit, please inform the office so your account can be adjusted.

Please do not leave any items (food, etc.) in the halls upon your departure. Any items left will be discarded.

It is recommended that you trim trees prior to hurricane season.

As a reminder per the rules and regulations:

- homes are to be pressure washed once a year
- no parking on any grass area
- no parking on the street overnight
- speed limit is 15 miles per hour inside the community
- clean up after your dog

As always, please contact the office with any questions or concerns.

Sincerely,
Patty Phelan, CAM
Park Manager

MY BUDDY

I want to thank everyone for your love and support during this difficult time. Many of you didn't know Buddy, other than he was "Judy's Secretary." He used to tell people that when they called the house for me.

We were married for 69 years. It was a great ride with many twists and turns, but it was always fun. He was an avid bowler (inducted into the Greater Toledo Bowling Hall of Fame in 1995) and a gung-ho golfer; had a hole-in-one on the 5th at The Hideaway in 2008.

He was signed by the Cleveland Indians right out of high school and pitched for the Daytona Beach Islanders in the Florida State League along side his room mate, Rocky Colavito, and under the tutelage of Red Ruffing, no less. From there he went to the Cocoa Indians where he pitched a perfect game and, coincidentally, where we met, (he chased me until I caught him). In 1952, the New York Giants drafted him and he played in their farm system until Uncle Sam came calling. He served two years in the Army. He was stationed at Selfridge Field near Detroit and although he was Army, the base commander recruited him to pitch for the Air Force team and traveled with them during his tour there. However, when he came home his baseball career had essentially passed him by. In those days if you were more than 19 or 20 years old they weren't interested as they are today and the pay was terrible; nothing like today's megasalaries.

Always one to be his own boss, over the years we co-owned Regal Lanes in Toledo, Ohio. He was recognized as the premier lane man in the NW Ohio area. His expertise was sought by many other lane managers whenever they had an upcoming tournament and needed a good, ABC spec condition. In those days everything

was done by hand; no robot machines.

After Regal Lanes was sold, we purchased an auto electric company where his love of racing took hold. He and his partner built an "Indy" roadster and traveled the midwest with driver Leo Caldwell. In 1964 they were fortunate to win the Peach Blossom 200 in Atlanta and decided to quit while they were on top. I was happy too, I was no longer a "race widow."

He loved building things and we moved at least 14 times over the years. I would design the home and he would sub-contract the plumbing and electrical and do everything else himself. We never stayed in one place more than 3 or 4 years. I sure had packing down to a science!

We came to Lazy Days in 1999 as "snow birds" but in 2007 we decided to stay put and sold our lake property in Michigan to become full time residents on Leisure Lane. It has truly been the best years of our lives.

SURVEY – 2021

Greetings to all Lazy Days residents from your ROLDI Activities Board:

With the much-anticipated COVID vaccine becoming available, we look forward to once again opening up activities in the park; perhaps as early as the Fall of 2021.

It has been a while since we sought feedback on the activities that we offer, and with so many new faces joining our community, it seems like a good time to review and evaluate our options. ROLDI has limited funds and we desire to use them wisely and for the most benefit. We need to know if there are activities that are no longer popular, or if there are activities that we do not currently offer that we should consider. If you are interested in chairing one of these activities, please contact Judy Young at 239-652-0411 or email judybuddy52@gmail.com

CURRENT ACTIVITIES

Pot Luck Dinners
Karaoke
Shuffleboard
Bocce Ball
Bingo
Dances; Line Dancing; Dancersize

SUGGESTED FUTURE ACTIVITIES

Pickleball
Group Outings (day trips to attractions)
Community Firepit

Please check off to indicate if any of these activities interest you. In addition, we would like to ask a few additional questions:

1. What expectations did you have when you moved to Lazy Days?
2. Are you more inclined to join small-group or large-group activities or none at all?
3. What suggestions would you have that you think others would enjoy? More space on back.
4. Please submit your name and phone contact. Thanks
