**BE SURE TO ATTEND THE FINAL ROLDI MEETING ON APRIL 1st AT 7:00 p.m.**

## FROM YOUR ROLDI PRESIDENT

Hello, everyone. It looks as though our season is coming to an end soon with half of our residents leaving us. We will miss you and hope you have a wonderful summer up North.

March was almost as busy as February! We think most of our choices of activities for the community were well received and enjoyed by many. This month is a little more relaxed, finishing up our last two potlucks and our last ROLDI meeting on Monday the 1st of April.

We have the plaque honoring Harry Swartz and Bill Messina placed on the bench along the fence on Sun Up where they spent half their days! There are also two new benches in the park; one as you enter on the right side of the road and the other in the back of the North Hall. Thanks to Randy and John for all the help they gave us.

The Memorial Board and the \$100 to all activities have been put on hold for a later decision by the Board.

We hope you have enjoyed your time with us and wish you a safe and wonderful summer. See you in the Fall.

Nancy Chandler, President ROLDI

## FROM YOUR LDPOA PRESIDENT

Hello everyone. The time is here that most of you will be heading back North. Be sure that homes are secured safely and any outside items are put away. Help your neighbor by your mentioning this to them since there are many new residents in the Park.

Those of you who have not submitted a plan on having your homes repaired due to Hurricane Ian, understand the consequences. Jan will keep you posted via email and/or mail, as to what the next steps will be. Communication is very important! Stay safe and see you next year.

Jim Gooch, LDPOA President

## FROM YOUR PARK MANAGER

How can it be end of the season? It seems we were just starting to welcome our snowbirds back and now we are starting to saying sad goodbyes!

As you plan to depart it is important to advise the office so that we can properly account for all onsite residents to emergency service if we ever need to. Also please identify an emergency contact person or update the information on file. Did your home address change over the last few years and you forgot to let us know? Do you have a different neighbor keeping an eye on your property? Is your emergency contact person the same?

Another important thing to take care of before you go is to please, please make sure you have secured anything around your home that could become a projectile during a storm. Are your storm shutters down? Did you turn off your hot water tank and the water supply to your home? Did you make arrangements to have your grass cut and weeds pulled?

So much to think about... so much to do! But remember when a storm is coming our way many of your year-round neighbors will be busy securing their homes and evacuating and there is not much time to worry about
