FROM YOUR ROLDI PRESIDENT

From your ROLDI Board, we hope you are as happy as we are that the record heat of July is over. Do you believe that 4th of July dinner last month was the first in years that we didn't get wet coming or going. We had a pretty good turn out and hope you all enjoyed yourselves.

August 16th will be our last "Afternoon Delight" date. There is a sign up sheet in the South Hall, so please don't forget to sign your house number and name to the list. We're not sure of the food yet, but you know there will be ice cream as hot as the weather has been. I am so pleased with the attendance of the last two events.

It isn't too early to sign up for the Craft Fair on December 2nd. There is a flyer included in this newsletter with the details and a place to register.

There will be a few changes for those who host different events this coming season, so please check your Activity Calendar in the newsletter for their names and phone numbers.

There is a gentleman who would like to come to the park and give ballroom dancing lessons at no charge. We are not sure of the date and time yet, but it will possibly be starting in September. There will be a sign up to determine how many may interested.

It appears we will have a list of new residents coming in later this year. Please great your new neighbors and invite them to come to any of our activities. Maybe you could sit with them the first time until they are more comfortable with the surroundings.

It has been brought to my attention that several people are not stopping from the side roads before entering our main roads that go around the park. PLEASE stop and look before pulling out. It seems very quiet now, but someone is always going somewhere. We don't need an accident.

Hope you enjoy the month of August and if you have any questions or suggestions, please call me and if I don't answer, leave a message (514-596-6424).

Nancy Chandler, President ROLDI

FROM YOUR LDPOA PRESIDENT

Well Folks, it has been a real hot summer so far with no relief in sight.

There is a lot going on in our park:

~ The sewage problem is about half over but there will be more repairs to come. Our Board is working diligently to save money; we held a Special Meeting on July 19th to figure how to pay for the sewage project.

~ The tree cleanup should be starting soon. It will be nice to have our ponds cleaned up.

~ The Office roof should be finished by now. About time!

Looking forward to getting all projects finished so we can start with a new slate. It's no fun playing catch up.

Have a great August. Take care, and check on your neighbors. See you in September.

Jim Gooch, President LDPOA

THINGS WE'VE LEARNED THROUGH LIFE

(A few more things to think about)

I've learned:

That it's the small daily happenings that make life so spectacular

I've learned:

That under some hard shell is a person who wants to be loved and appreciated like the rest of us

I've learned:

That the Lord didn't do it all in one day, so what makes me think I can?

BEFORE YOU LEAVE FOR THE SEASON REVIEW YOUR HOME/LOT MAINTENANCE HURRICANE PREPAREDNESS

The following is a handy checklist of items to review before you leave for the season. Take a moment to inspect your home and lot to see if any maintenance and preparation is required.

Seasonal residents are reminded that these standards should be met all year-round.

- **Home Exterior:** Is the outside of home and awnings free of mold, mildew and dirt. Does the home or awnings need painting. Reminder – pressure washing is required at least once a year as per the Rules and Regulations.
- **Flower Beds & Shrubs:** Are your flowerbeds weeded and shrubs trimmed.
- **Trees:** Do your trees need trimming/coconuts removed. Any fruit should be picked up from the ground. Fruit left to rot on the ground attracts rodents.
- **Outdoor Umbrella Clothes Dryer:** Fold umbrella clothes lines before you leave. Due to the high winds and rain during summer storms (possible hurricanes) outdoor umbrella clothes lines should be closed and put away if possible.
- **Gutters:** Make sure gutters are free of debris from vegetation or other items and secure to the home.
- **Skirting:** Is your skirting in place and secure around your entire home.
- **Windows:** Check for any broken windows or torn screens.
- **Awnings:** Awning should be closed. Strong winds and rain from summer storms can damage awnings left open or damage the inside of your home.
- **Stored Items:** Any items stacked outside of your home or in the carport should be placed in storage. The home site and carport should be free of clutter.
- **Lawn:** Due to the summer rains, lawns should be maintained once a week during the summer months.
- **OWNERS ARE RESPONSIBLE TO KEEP THEIR HOME MAINTAINED DURING THEIR ABSENCE.**
