## FROM YOUR ROLDI PRESIDENT

Another month of staying at home!! This is getting old. I am trying to think ahead to our 20-21 season, but it is hard to plan anything with the way things are right now. I know that our dances are all set, thanks to Barb and Joe Joseph. And, I will try to contact as many activity chairpersons as possible in the next few weeks to get their input for the coming year. If anyone is interested in giving me a hand with this I surely would appreciate it.

My term ends in December 2020 and at this point I do not plan on running for another two years. My age and the health of my husband, Buddy, are factors in this decision. I would love to see younger people with new, fresh ideas to come forward and keep Lazy Days Village one of the best parks around. I will be there for all of you if needed, but I simply cannot serve in the way I have in the past.

Trash & Treasure is one area that needs very careful consideration. We will need a coordinator to be the head honcho and direct our volunteers, of whom there are many. Cynthia Carr did a superb job the past two years, and yes, it's a big job, but a well-organized person or couple can easily handle it. The ROLDI board will help too. Pick-ups usually begin in November, but with COVID 19, we may have to delay everything until 2021.

The shareholders did a lot of remodeling this summer and I have included some pictures of the "new office" renovation. It is really beautiful now. Thank you, Gary Laneville, for the pics. Please note that if you plan on going to the office for any reason, you must wear a face mask.

Stay cool and enjoy the rest of your summer with family and friends.

Judy Young, President ROLDI

## FROM YOUR PARK MANAGER

Dear Residents:

We are half way through the summer months and approaching September. We have been very lucky thus far with storms and damage, however please keep in mind that Hurricane Season runs through November. As I do my site visits through the park, I notice trees and shrubs still not trimmed. If your home is in need of these items, we ask that you please take care of this as soon as possible. If you have left for the season and have not taken precautions, please arrange for someone local to close your shutters and take in any outside items if needed. If everyone does their part it will benefit those residents that are still here from last minute phone calls to help take care of this.

Reminders again: No parking on any grass areas or on the streets; no overnight parking at the halls, speed limit in the park is 15mph for ALL vehicles including motorized scooters and bikes.

If you have any questions or concerns regarding park issues please contact the office. This is the best way to know what is happening in the community and obtain correct information.

Update on the water utility project: The city is completing the work down Idleway Drive towards Sun Up. We were informed the streets completed as of the middle of July are Restful Road, Days Lane and Rainbow Lane. There are now two working fire hydrants in that area. The city has hired a contractor to continue and complete the project along Easy Street, when that work is ready to begin. This will hopefully make this section of the project move a lot quicker for us, as the contractor

will only be working on this area and not be pulled away as the city workers were. Please contact the office if you have any questions or concerns and it will be addressed with the utility company.

Larry Raber has been appointed to the Board to fill a vacancy as 1st Vice President. He will complete the current term until the elections in January 2021. Please help us welcome Larry.

Stay safe and healthy!  
Sincerely,  
Patty Phelan, CAM  
Association Manager
